

Audit/Accounts Senior

A vacancy has arisen for a fully qualified Senior within the firm's audit/accounts department.

About the role

You will work on a number of clients in different sectors, maintaining and developing the strong relationships which are key to the firm's growth.

The role is split approximately 80/20 between audit and non-audit assignments and you will report either to a manager or directly to a partner.

About you

- You are confident with excellent interpersonal and communication skills, both written and oral.
- You have experience of working on a wide range of clients (some FCA experience would be beneficial).
- You are computer literate. A working knowledge of CCH and Proaudit would be an advantage. Experience or knowledge of the Mercia audit programme would also be helpful.
- You are willing and able to work under pressure and cope flexibly with demanding deadlines.
- You have developed good client liaison skills.
- You work well as part of a team.
- Your analytical skills and attention to detail and ability to think laterally mean you are capable of identifying potential problems and providing solutions.
- You are up to date with current auditing and accounting issues and conversant with relevant auditing and accounting standards, company law etc.
- You have good tax knowledge, in particular corporation tax.
- You show initiative, exercise judgement and take ownership of issues from start to finish.
- Career progression is important to you.

Your qualifications

As a minimum you are a qualified accountant (either chartered or certified). Ideally you will be a first-time passer, have a minimum 2.1 degree, three A levels and at least seven GCSEs, all with good grades.

Outline Terms of Employment

Salary and benefits will be market rate, reflecting your level of qualifications and experience.
